SEKOLAH GLOBAL INDO-ASIA PRIMARY DEPARTMENT OUR PROGRAMME

IB PYP

The International Baccalaureate Primary Years Programme aims to create well-rounded, knowledgeable individuals with an internationally-minded outlook.

PYP is designed for students aged 3 – 12.

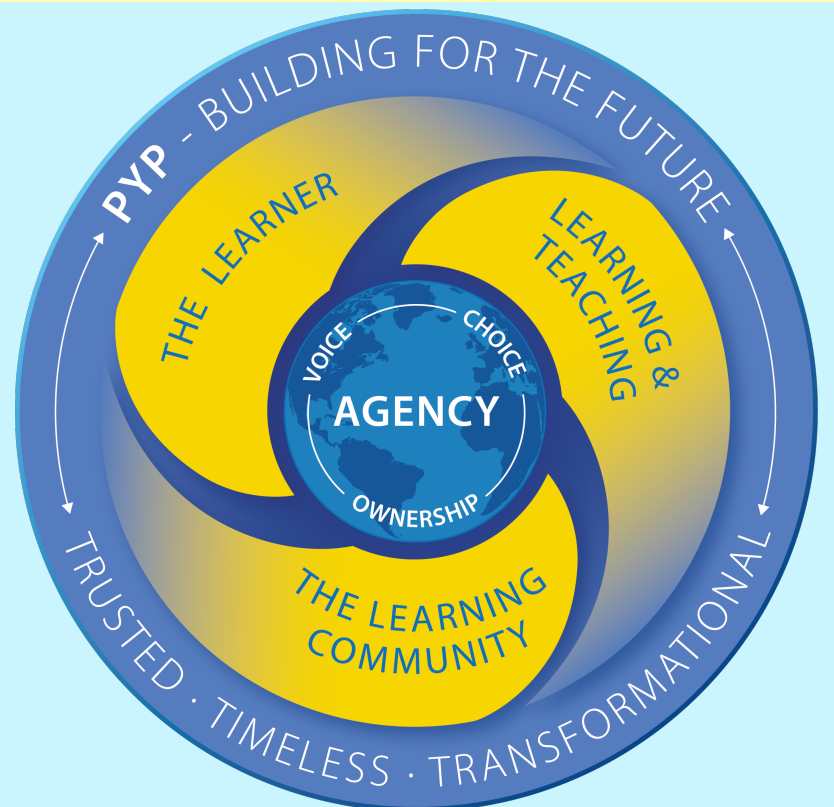

It focuses on the development of the whole child as an inquirer, both in the classroom and in the world outside.

Agency

The PYP curriculum framework emphasizes the central principle of agency that is threaded throughout the three pillars of the curriculum: the learner, learning and teaching and the learning community.

Everyone connected to the school community has voice, choice and ownership to impact learning and teaching. These holistic components complement and reinforce each other to form a coherent whole.

Curriculum

Our Primary curriculum is adapting the PYP scope and sequence integrated with the National competencies.
